March Meeting Presentation

Traveling with Ham Radio in Europe

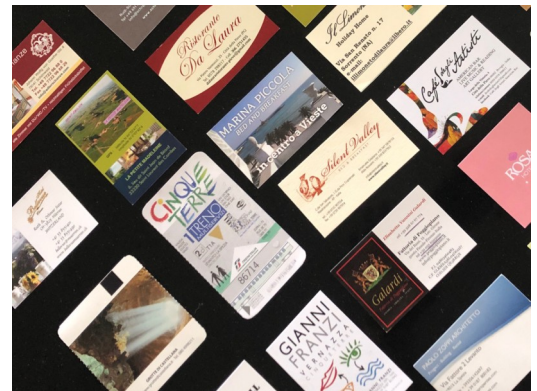

On March 12, 2020, Jim Stockwell, W6KC, will present a talk about his travels with ham radio in Europe. In 1971, shortly after graduating with an MBA degree from USC, he spent five months traveling throughout Europe in a VW camper outfitted with a Yaesu FT-101 and a Hustler mobile antenna.

About a year ago, Jim retired from his long career in IT and his XYL JoAnn (K6FBI), retired from her job as an RN at the John Wayne Cancer Institute in Santa Monica. Soon after retirement, they traveled for three-months in Europe. Jim was able to operate portable in 14 different cities in four countries. He will present highlights from those travels with a number of slides and videos.

Jim has written an article about his travels which was published in the November 2019 issue of "Solid Copy," a newsletter for members of CWops, an international club that promotes the use of CW on the ham bands.

At age 13 Jim obtained his Novice license (WV6GDS) and later upgraded to General, Advanced and Extra and received his W6KC vanity call in 1996. He enjoys CW contesting, operating in the California QSO Party from Mono county and the "Route 66 on the Air" annual special event.

This will be a very interesting and informative presentation, covering interesting places, as well as techniques and equipment for traveling with ham radio.

Scott Orr, W6MKO

Hello Club,

Well, month number two is in the books and it seems to this year is going to go by fast. I guess that adage, "The older you get the faster time flies." is true.

I know I have stated this several time but the convention is coming up very soon, so don't wait to register and get your room reservations. I checked a few weeks ago and the Wyndham was sold out. I'm not sure how the other hotels are doing vacancy wise. "If you snooze, you lose."

I have been on the radio a lot these last few weeks, while recuperating and have seen some interesting entities on FT8. I know I just wrote the name we dare not speak of but I have worked phone and CW but it is mostly the U.S.

Remember, if you have any questions that an email, phone call or text is a scam, please call or email me.

Good Hunting,

Scott Orr

Doug - W6HB

Those in Yuma last month missed a very enlightening presentation by Stephanie Sampson with LAWA on all the new goings on at LAX. Perhaps you can get a few links from members in attendance as to where you too can get up to speed with the straight skinny rather than the "doom and gloom" seen in some of the media. I believe she will also be speaking for WARA and BIARA in the next few months.

Member Jim, W6KC, and XYL JoAnn, K6FBI, finally took retirement and all to our benefit. They spent three months touring four European countries and operating from around fourteen cities. Make sure you are at WEMS on March 12th at 1900 to enjoy a great ham travelogue with minimal risk of exposure to the Corona virus.

As always there will be no formal SCDXC meeting in April as many of us will be working toward and or attending the IDXC 2020 in Visalia.

I am not sure what our Publisher's time line will be for the May issue as the IDXC is near the end of the month this year. I will not be at the May meeting as I go in for a total knee replacement on the 7th and expect to be minimally ambulatory for at least a month. Anyone with a lead on a program that I can before May is asked to feed it to me soon.

See you in Europe on March 12th and in Visalia on April 23rd. Until then may the DX be with you!

Rumors on the Band

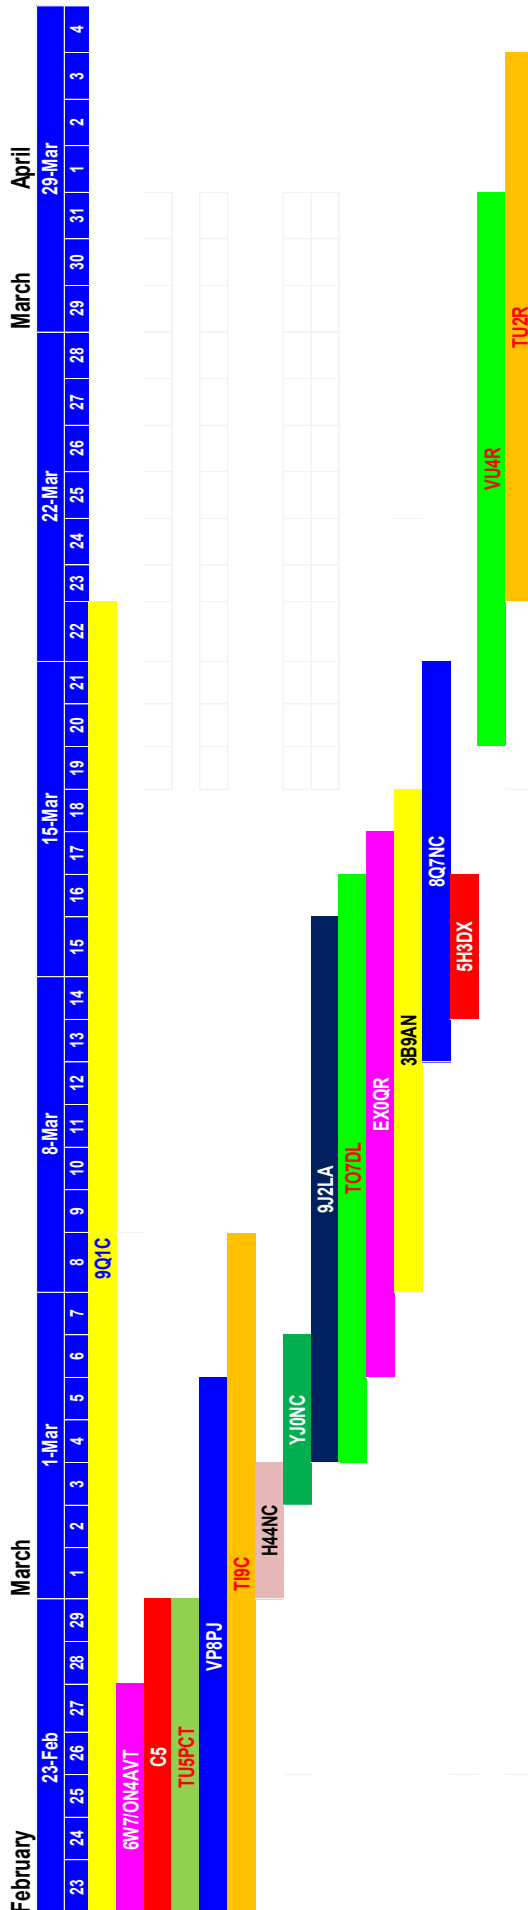

The ARRL International DX CW Contest was a blast! Many members doubled their country count for the year! Have you worked VP8PJ yet. They are everywhere and the path is an easy one for us!! *A new entry just popped up ZC4MK will on during the CQWW WPX Contest!*

This month is another great one! We have 9Q, VP8-O, EX, **PQ0S**, **ZC4**, and VU4. That is a line up! Many DX entities will be active during the ARRL International DX SSB Contest as well!

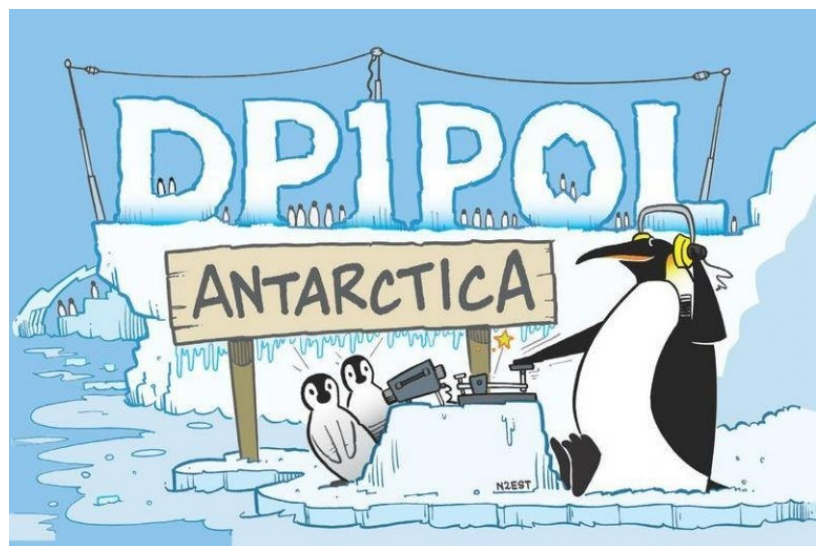

If you are not active then you are missing out on the fun. So what if you worked them all before! We have to keep the bands active!

DX Standings

Chuck Constantine, KR6C says hello. He has been working a lot and the drive from Apple Valley is just too long. Chuck says retirement is in the mix and so is moving out of state.

Chuck also updated his DXCC and WAZ standings. He is one away from the top of the DXCC Honor Roll. He also completed 5BWAZ (200) and, because he submitted his numbers on 60 meters, he is at the top of the WAZ standings for the club. Way to go Chuck!

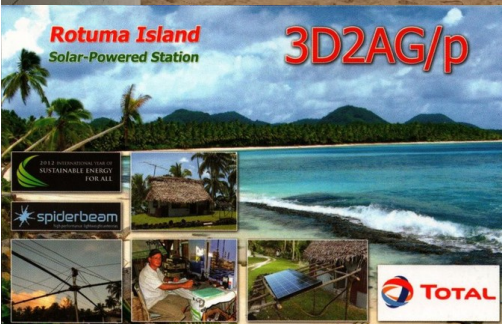

Send any updates to:

N6RV@SCDXC.org

SCDXC WAZ and DXCC Standings

The first WAZ column is the confirmed zone count on 10 bands 160 - 6 (less 60 meters). The second column is the regular 5BWAZ confirmed count. The following are the codes that follow the two columns and indicate the awards:

This was a great month! The club total jumped 37 countries! What a difference a good DX contest makes. All that great DX concentrated around one week.

Who would have known that our leader would be closing in on 200 in less than a month and that the top 5 would be over 150! Congratulations to the 11 members who worked DXCC in 55 days!

N6QQ worked TJ (?) for a unique entity that no other ClubLog member worked while ClubLog leaders worked 23 entities that SCDXC members did not.

Everybody worked South Orkney Island. They have been very active over the past 2 days and are an easy path to North America.

Right now Larry, K6RO, leads the slots with 526 followed by Dick, W6TK who has 507.

On 160 Pete, N0FW, leads with 86 followed by Bill, WA5VGI with 44.

There is no real reason to post 6 meters. Only 2 entities have been worked!

2 Alpha 87a: 1500 watt amp

full output on all bands.

ser # 91190053 w/box and manual.

Comes with Alpha Power remote software. I never tried it.

I purchased this amp used in 2007 hoping to get back on the air.

Sat in box for 12 years. I never used it as my HOA said no radio. Very low hours.

Great amp for someone not wanting to spend \$6500 or more for a new amp.

\$2995 obo ..pickup only in RPV area.

1 Alpha 87a: 1500 watt amp

full output on all bands. w/box

I purchased it from a local ham who almost never used it. Excellent condition, very minimal paint chips.

Was back to Alpha for a minor repair in 2008, and almost no use since then.

Can supply a copy of my other manual.

\$2995 obo ..pickup only in RPV area.

Used Force 12 C3-SS 10/15/20M Yagi..works on 12/17 with a tuner.

Works great.

Retail new \$1229.00

And Still More Zeroes!

The SFI stayed above 70 this month however the SSN was almost 0 all month. Maybe next month we will see both rise!

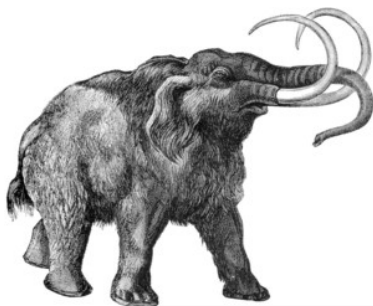

Jerry, K6QU, provided the link to a very interesting article on a new solar orbiter.

**The sun is still a burning mystery
That may be about to change**

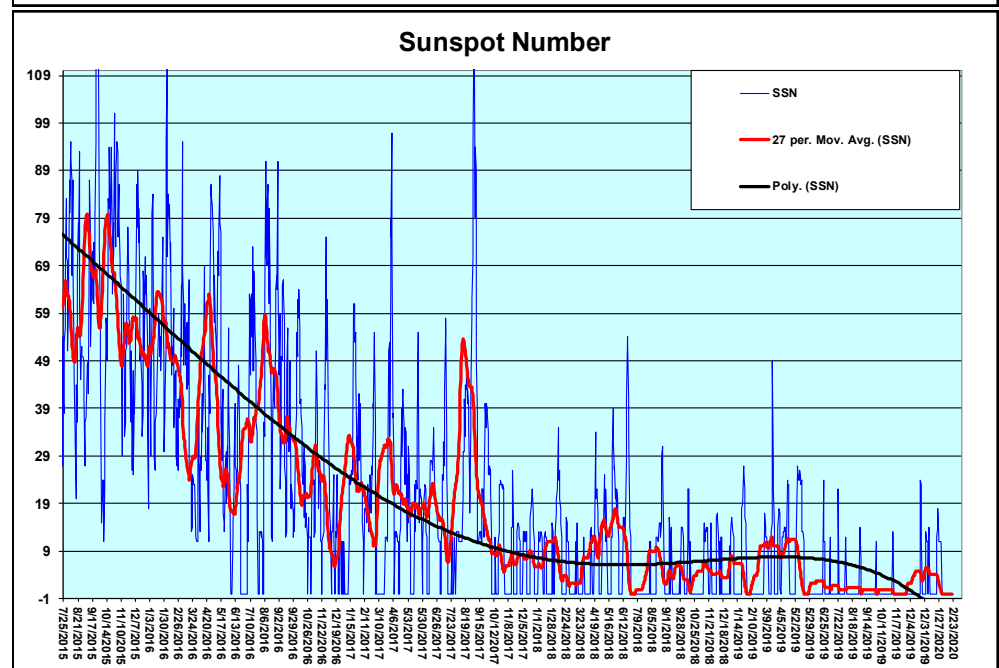

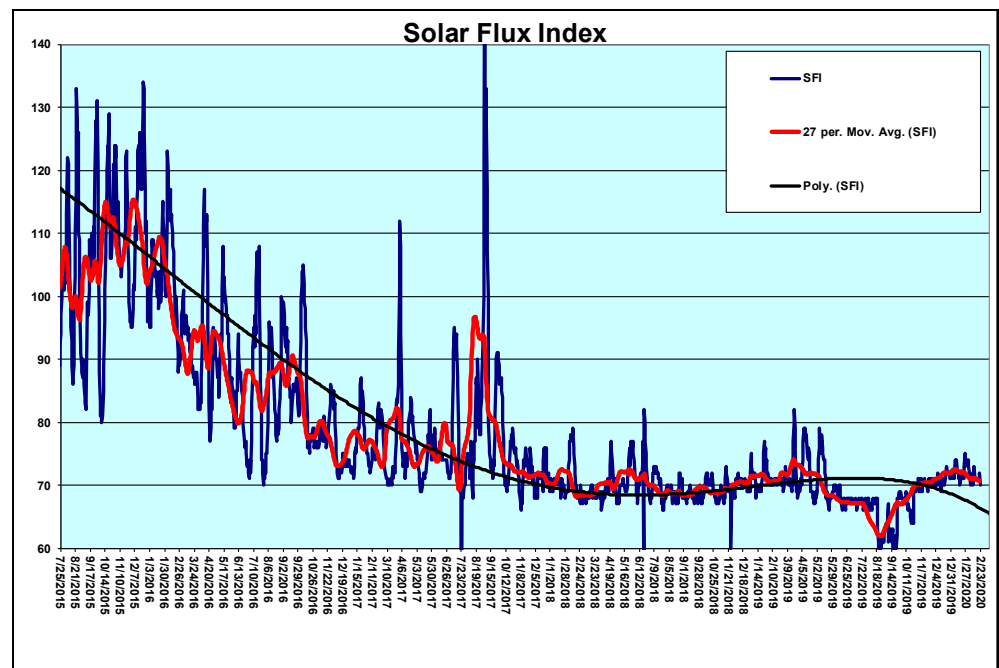

The historic launch of the new European Solar Orbiter helps foster a golden age for understanding our nearest star.
